Color: White

Product Benefits
- Perfect for wiring behind ultra low profile mounts
- Features multiple j-box cutouts in order to bring in power and signal separately
- Removable bezel to accomodate both new construction and retro-fit applications
- Paint to match any wall
- Install vertically or horizontally

Series

SB.5R

SB1R

SB2R

When used in conjunction with low profile mounts, the SB.5R eliminates the need for spacers

Dedicated to being a one-stop shop for professional products, OmniMount remains on the cutting edge of product innovation. That's why we're the natural choice for any professional, industrial or commercial application. The ShadowBox Series™ is a full line of recessed in-wall boxes perfect for any install. The SB.5R is ideal for panels that have rear A/V connections or any install that requires power and signal devices to be mounted behind the panel.

OMNI MOUNT
