

RSH + SONOS AMP

CUSTOM RACKSHELVES

These RSH shelves were designed in partnership with Sonos to provide you with the ultimate mounting solution. They come equipped with shelf mounted lacing bars for cable management, clamping bars to secure your Sonos Amps and an anodized face-plate, all in a single part #.

FEATURES

- Shelf face is specifically designed for the Sonos Amp
- Unique 'face-after' design allows for easy installation and switch out of components
- Includes lacing bars for cable management
- Includes clamping bars to keep Sonos Amps secure
- Patented Tool-free shelf assembly in seconds
- Add components and manage cables effectively using the patented universal mounting pattern
- Pop and twist rear stop brackets enable quick and fine adjustment of component positioning
- Fully ventilated ears and bottom promote cooling airflow
- Black brushed and anodized finish
