

R500

Recessed Articulating Wall Mount

Achieve an ultra-low-profile setup with the R500 recessed wall mount. Designed to be inserted between two studs measuring 16" apart, this unique mounting solution lets your TV sit 1.25" from the wall when fully retracted. Its 18.5" long articulating arm provides $-5^{\circ}/+10^{\circ}$ of tilt and 180° of swivel, ensuring optimal viewing from all angles. Built out of high-grade steel, the R500 supports 46" to 80" TVs weighing up to 135 pounds.

FEATURES & SPECIFICATIONS

- Fits most flat panel TVs from 46" to 80"
- Supports TVs up to 135 lb (62 kg)

- Shipping box weight: 38.6 lb (17.5 kg)
- Shipping box dimensions: 27.8" x 17.7" x 5.5" (70.5 x 45 x 14 cm)
- Product weight: 36.4 lb (16.5 kg)
- UPC: 800152717463

RECESSED DESIGN

The R500's in-wall design is made to fit securely between 16" stud centers. When fully retracted, its arm assembly allows your TV to sit almost flush with the wall.

SUPPORTS UP TO 135 POUNDS

Constructed out of solid steel, the R500 safely supports 46" to 80" TVs weighing up to 135 pounds, while its adjustable mounting brackets accommodate VESA sizes between 100x100 and 600x400.

FULL RANGE OF MOTION

Use the R500's articulating arm to ensure you always have the perfect viewing angle. Extend it out 27.6" to provide ample room to tilt and swivel your TV.

SLEEK CABLE MANAGEMENT

Keep your viewing area tidy by securing your cables to the mounting arm with the provided clips.

EVERYTHING YOU NEED

Because every installation is unique, the R500 is carefully packaged with all the lag bolts, washers and spacers that you could need. An online installation video is also provided to help you along the way.
