LOUDSPEAKERS

100 SD

Spatial Diffuser

Designed for applications where full range performance is needed from a compact, unobtrusive loudspeaker. The unique combination of drivers, design and styling make the 100 SD an exceptional choice for a wide variety of installations.

Compact on-wall, 2 way 5 drivers design with dual 4" woofers with a 1" front-firing soft dome tweeter, and two side-firing 1" soft-dome tweeters, all in a tuned MDF enclosure that mounts vertically or horizontally.

Features & Specifications
