LOUDSPEAKERS

200 S

The 24" tall 200 S is a perfect on-wall solution for LCR combinations with 37" - 42" flat screens, or as surround speakers in a home theatre system. These are perfect for restaurants and light commercial applications.

Elegant 24" tall on-wall system with dual 4.5" woofers and centered 1" soft dome tweeter in a tuned MDF enclosure.
