

Classic Series Custom Speakers

in-ceiling, in-wall

Classic Boston speakers, Classic Boston value

Classic Series was designed to offer Boston's legendary sound, exceptional quality, and classic value. Classic Series Custom Speakers can be installed in any room or hallway in your home and are designed for use in a multi-channel home theater system or a stereo-only music system.

Classic Custom Speakers include two in-ceiling and two in-wall models and all feature paint-ready bezels and grilles that allow you to match your ceiling or wall finish.

Key features

- Mylar soft dome tweeters for crystalline high-frequency sound
- High performance woofer drivers for great bass response
- Built-in brackets make for easy installation in existing walls and ceilings
- Paint-ready surface allows you to match your wall or ceiling finish

What it means to be from Boston

First and foremost, Boston is an engineering company, and every Boston system is optimized to meet the highest performance standards (our own). Of course, performance is only one measure of value. So we're careful to build all our products with strict attention to everything from the choice of materials to the details of fit and finish. It's how we've been exceeding the expectations of serious listeners for more than thirty years.

Specifications

	CS 270	CS 280	CS 275	CS 285
Frequency Range ($\pm 3\text{dB}$)	65Hz-20kHz	50Hz-20kHz	65Hz-20kHz	50Hz-20kHz
Recommended Amplifier	10-90 watts	10-100 watts	10-90 watts	10-100 watts
