

RhinoPRO™ 1000

The Professional Labeling Tool for the Do-It-Yourselfer!

The **RhinoPRO 1000** is an easy to use, affordable, portable label printer that uses durable labels that stick and stay stuck. Designed specifically for do-it-yourselfers to label home electronics, audio and visual components, circuit panels and for many other applications all around the home.

Features and Benefits:

- “Hot Keys” for easy one touch labeling:
 - Flag – for labeling cables/wires
 - Length for faceplates, and punch blocks, and panels
 - Audio/Video – for commonly used A/V symbols
 - Electrical – for commonly used Electrical symbols
 - Safety – for commonly used Safety symbols
- Serial key provides automatic incremental printing
- Vertical printing for labeling of racks, bins, etc.
- Large 11 Character display is easy to read
- Prints on two label widths – 3/8" (9mm) and 1/2" (12mm)
- Prints 2 lines of text in 3 type sizes
- 3 styles of printing – Normal, Italic and Outline as well as Underline and Box
- Units of measure in inches or millimeters
- Language selection key: English, French or Spanish
- Requires 6 "AAA" batteries (not included)
